Spring/Summer 2025

## Soleil

Welcome to the new Spring/Summer collection, where every element is a celebration of colour, cheer, and the simple joys of life. Inspired by the radiant energy of the sun, this collection is your invitation to embrace the new season with open arms. Let each piece become your story, accompanying you through sunny days and starry nights, from city escapades to beachside bliss.

Colour is at the heart of the Soleil collection. From vibrant hues that brighten your day to soft tones that soothe your senses, our palette is a cheerful nod to the beauty of the natural world. This core idea is further enhanced by the careful selection of materials used. Soft linen, pure cotton, flowing Tencel and airy muslin offer exciting contrasts and a relaxed, effortless charm.

Designed to accompany you from spring to autumn this season's design captures the essence of both urban sophistication and natural beauty, creating versatile pieces that transition effortlessly, ensuring you're always ready for the next adventure.

In an exciting new development, Matona now has a dedicated men's line. We've created a range of shirts, trousers and jackets perfect for him, with the same vibrant spirit and thoughtful design as the rest of the new collection. Step into the season with pieces that are fit for any occasion, crafted with the same dedication to style and comfort that you love.

## MATONA FAMILY

### Step by Step

... for a better future - is the mission statement of Matona and runs like a continuous thread through the whole manufacturing process. For our collections we only use high-quality, organic fabrics such as linen and cotton as well as Tencel and recycled yarns like Econyl. Passionately designed in Austria. Ethically produced in Portugal & Turkey.

### Our Story

Matona - a small fashion label from Vorarlberg. However, it is also the story of Katharina and David, who decided to produce clothing on their own and to make a positive mark in the fashion industry. As a result, since 2017 sustainable and timeless styles are designed in the heart of the Austrian Alps.
